

Smart Car Accident Prevention (S.C.A.P)

```
if(distFromFront < very_near){
  spd -= 12;
  Serial.println("The Vehicle Ahead You is too closer, Stopping your
vehicle and dropping Speed down to " + String(spd) );
}
```

Team: Dcoders (Raghav, Shubham, Ankush, Deepak, Gaurav)

```
else if (distFromFront <= near) {
  if (distFromBack <= near) {
    spd -= 10;
    Serial.println("The Vehicle ahead You and behind You are
approaching near, So decreasing speed down to " + String(spd));
  }
}
```
